

NTC Student/Visitor COVID-19 Vaccination and Testing Information

Effective immediately, all students/visitors to the Department of Energy National Training Center (NTC) must attest to their vaccination status.

All visitors must have a copy of a site approved attestation form or print a completed copy of the NTC attestation form with them at all times on-site. The NTC will do visual verification only and will NOT be collecting this information.

The NTC has also established vaccination and testing verifications per Government requirements. In order to access the NTC, all visitors must provide evidence of one of the following on the first day on-site:

**Vaccination Attestation Form
or Proof of vaccination on Your Person**

OR

**Proof of negative test, by DOE approved
testing method, taken within three days
prior to arriving on site**

Visitors include:

- **Students**
- **NTC Range Use Agreement (RUA) and
Temporary Use Agreement (TUA) holders**
- **Subcontractors**
- **Vendors**
